RESOLUTION:

We, the members of the Fourth Annual Meeting of MACTLAC are delighted to acknowledge our gratitude for a memorable weekend and request our secretary to communicate our appreciation on behalf of the membership.

- To: President and Mrs. Jones for the cordial hospitality of Uncle Tom's Cabin.
- To: Professor Wendell Stanley for making a highly special field of research so clear and fascinating that many of us would like to join his quest.
- To: Ed Haenish and Harry Lewis for their continuing contribution to the success of our annual meetings.
- To: All the Earlham College Family -- with a special bow to those who did so well by us as we broke bread together.
- To: Our past president, Jim Culbertson, for his help and influence in the formative years of MACTLAC.
