Dear Sirs:

As editor of the above project I would like your permission to use the material on pages 91 of *Instruments and Control Systems* magazine Vol. 37 No. 7 July 1964, entitled *Graphic Recorder Survey* with some paraphrasing and rearrangement, and pp 121 and 122 of Vol. 36 No. 11 Nov. 1963 entitled *Developments in Recording*. The authors, and *Instruments and Control Systems* magazine will receive footnotes and complete recognition as sources for this material in any publications of the MACTIAC group.

I also want to express my appreciation to *Instruments and Control Systems* for this as well as its value as source material in general.

Thank you.

Sincerely yours,

W. C. Oelke
