NORTHERN ILLINOIS STATE TEACHERS COLLEGE
LESLIE A. HOLMES, *President*
DEKALB, ILLINOIS

DEPARTMENT OF PHYSICAL SCIENCES

October 7, 1952

Prof. Haldeman, Dept. of Chemistry
Monmouth College
Monmouth, Illinois

Dear Prof. Haldeman:

This is relative to your announcement at last week's meeting of the College Chemistry Teachers Conference at Urbana. ~~xxxxxxx~~

We would welcome an invitation to your November meeting of the Illinois-Iowa Section and your celebration combined. If you can furnish it ahead of time, we would like a program of events.

Sincerely,

H. W. Gould
Head Dept. of Physical Sciences

Ans. 10-9-52

October 9, 1952

Dr. N. V. Gould, Head
Department of Physical Sciences
Northern Illinois State Teachers College
DeKalb, Illinois

Dear Dr. Gould:

Thank you for your letter of October 7th. You and your associates are cordially invited to the Conference of College Chemistry Teachers on our campus, Friday and Saturday, November 14 and 15. Our complete program outline will be ready to mail between October 25 and 30. This will be sent to you with certain directions and also blanks to be filled out as to the number of your teachers coming, etc. Monmouth College will entertain the visitors, including meals and lodging. We look forward to seeing you at the conference.

Sincerely,

W.S. Haldeman, Chairman
Conference on College Chemistry
Teachers

October 11, 1952

✓
Dr. Ralph A. Johnson
49 Woyes Laboratory
University of Illinois
Urbana, Illinois

Dear Dr. Johnson:

Thank you for your courtesies during our visit to the University while attending the College Teachers meeting. You are cordially invited to attend the Conference of College Chemistry Teachers to be held in Monmouth College, Friday and Saturday, November 14 and 15. This is one of our special events in connection with the one hundredth anniversary of the college. Those attending will be guests of the college. Meals and lodging will be furnished.

A complete program, and a blank form for desired information, will be mailed to you on or before October 31.

Sincerely,

J. H. Alderman, General chairman
Conference of College Chemistry
Teachers

Dr. Showver

October 11, 1952

✓
Dr. Milton Tamres
Department of Chemistry
University of Illinois
Urbana, Illinois

Dear Dr. Tamres:

We were glad for the visit with you while attending the College Teachers meeting. Congratulations for your clear exposition of a subject that is usually puzzling to those who have not given special thought and time to it. You are cordially invited to attend the Conference of College Chemistry Teachers to be held in Northmouth College, Friday and Saturday, November 14 and 15, 1952. This is one of our special events in connection with the one hundredth anniversary of the college. Those attending will be guests of the college. Meals and lodging will be furnished.

A complete program, and a blank form for desired information, will be mailed to you on or before October 31.

Sincerely,

M.S. Haldeman, General chairman
Conference of College Chemistry
Teachers

Invitation

October 11, 1952

Professor John C. Bailar
Department of Chemistry
Annex Building, University of Illinois
Urbana, Illinois

Dear Professor Bailar:

Thank you for your courtesies and hospitality during our visit to the University while attending the College Teachers meeting. You are cordially invited to attend the Conference of College Chemistry Teachers to be held in Monmouth College, Friday and Saturday, November 14 and 15. This is one of our special events in connection with the one hundredth anniversary of the college. Those attending will be guests of the college. Meals and lodging will be furnished.

A complete program, and a blank form for desired information, will be mailed to you on or before October 31.

Sincerely

W.S. Maldeman, General Chairman
Conference of College Chemistry
Teachers

also Professor Clark

I am mailing a chemistry directory to each of the following: Dr. Ralph Johnson, Dr. Leonard and Dr. Tamres. Since I had mentioned our Monmouth conference to them I am inviting each to come. Possibly four or five of your faculty can come, if not for the two days, at least for all day Saturday, November 15. WSH

Dr. Shawver

October 11, 1952

✓
Dr. George Clark
Department of Chemistry
Analytical Division
University of Illinois
Urbana, Illinois

Dear Professor Clark:

Thank you for your courtesies during our visit to the University while attending the College Teachers meeting. You are cordially invited to attend the Conference of College Chemistry Teachers to be held in Monmouth College, Friday and Saturday, November 14 and 15. This is one of our special events in connection with the one hundredth anniversary of the college. Those attending will be guests of the college. Meals and lodging will be furnished by the college.

A complete program, and a blank form for desired information, will be mailed to you on or before October 31.

Sincerely

W.S. Maldeman, General chairman
Conference of College Chemistry
Teachers

Dr. Shawver

October 13, 1952

✓
Dr. Leonard
Division of Organic Chemistry
University of Illinois
Urbana, Illinois

Dear Dr. Johnson:

We enjoyed our visit with you while in the University attending the College Teachers meeting. You are cordially invited to attend the Conference of College Chemistry Teachers to be held in Monmouth College, Friday and Saturday, November 14 and 15. This is one of our special events in connection with the one hundredth anniversary of the college. Those attending will be guests of the college. Meals and lodging will be furnished.

A complete program, and a blank form for desired information, will be mailed to you on or before October 31.

Sincerely,

W.S. Haldeman, General chairman
Conference of College Chemistry
Teachers

October 14, 1952

Professor J. H. Schroyer, Head
Department of Chemistry
Bradley University
Peoria, Illinois

Dear Professor Schroyer:

You are cordially invited to attend the Conference of College Chemistry Teachers to be held in Normal, Illinois, Friday and Saturday, November 14 and 15, 1952. This is one of our special events in connection with the hundredth anniversary of our college. Those attending will be guests of the college. Meals and lodging will be furnished.

A complete program, and a blank form for some desired information, will be mailed to you on or before October 31.

Sincerely,

W.S. Haldeman, General Chairman
Conference of College Chemistry
Teachers

October 14, 1952

Professor J. W. Neckers, Head
Southern Illinois University
Department of Chemistry
Carbondale, Illinois

Dear Professor Neckers:

You and your department associates are cordially invited to attend the Conference of College Chemistry Teachers to be held in Monmouth College, Friday and Saturday, November 14 and 15, 1952. This is one of our special events in connection with the hundredth anniversary of Monmouth College. Those attending will be guests of the College. Meals and lodging will be furnished.

A complete program, and a blank form for some desired information, will be mailed to you on or before October 31.

Sincerely,

W.S. Haldeman, General chairman
Conference of College Chemistry
Teachers

URBANA

THE WILLIAM ALBERT NOYES LABORATORY

October 20, 1952

Professor W. S. Haldeman
Department of Chemistry
Monmouth College
Monmouth, Illinois

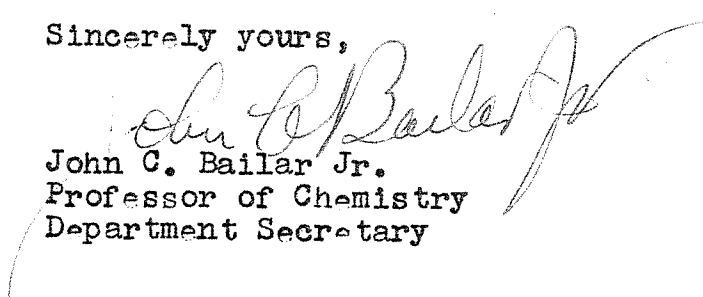

Dear Professor Haldeman:

Thanks very much for your letter inviting me to attend the College Teacher's Meeting at Monmouth next month. I should like very much to come, and had rather thought that I would. Now, however, several other things have come up and I shall not be able to get away from Urbana at the time of the Conference. I am really very sorry for I should like to take part in one of these meetings.

I want to thank you also for sending the directory of your alumni. This is certainly an amazing record and some of the other smaller colleges would do well to emulate your example. It has taken a great deal of work on your part, I know, but the results are certainly worth all that you have put into it.

With very best wishes, I am

Sincerely yours,

John C. Bailar Jr.
Professor of Chemistry
Department Secretary

COLLEGE OF LIBERAL ARTS AND SCIENCES
DEPARTMENT OF CHEMISTRY

Dr. W. S. Haldeman
Monmouth College
Monmouth, Illinois

Dear Dr. Haldeman:

We appreciate very much your invitation to attend the Conference of College Chemistry Teachers November 14 and 15, but there seem to be so many other activities requiring absence from campus, particularly on Friday, that none of us feels able to absent himself any additional times this term. For instance, I was out two days last week to make some speeches in Toledo and will be out for three days next week on a similar trip to Virginia, and so it goes.

Your program and talent are unusual in their quality, and we certainly wish that we could attend but have finally decided that it will be impossible.

Sincerely yours,

J. W. Beckers
Chairman

Dr. Otto H. Smith
Research Foundation
Oklahoma A. and M. College
Stillwater, Oklahoma

Dear Dr. Smith:

A program of our conference for college chemistry teachers is enclosed for you. To date we have about fifty responses from college teachers who expect to attend. This includes about thirty different institutions. You may well feel a deep satisfaction for your many years of work in stimulating such gatherings. Dr. Shawver and I feel that your continued efforts along this line, and particularly the very effective meetings of the Oklahoma A. and M. Workshop, have given us the main ideas of the meetings for the November 14 and 15 conference in connection with our Centennial.

We wish you could come to Monmouth and join in the discussions as well as enjoy the fellowship of the college teachers. There will be no expense except your car fare. You will be a guest of the college. Meals and lodging will be furnished. The Santa Fe will take you directly to Calceburg, Illinois, 16 miles from Monmouth. We will meet you there.

Yours sincerely,

M. J. Waldeman

November 4, 1952

Dr. Theodore Ashford
Department of Chemistry
Saint Louis University
Saint Louis 4, Missouri

Dear Dr. Ashford:

When I spoke to you in Atlantic City about our Conference of College Chemistry Teachers you indicated that possibly your work might keep you in St. Louis on the 14th and 15 of November. A general program is enclosed for your files if you cannot come.

We shall be pleased to see you here and take part in the discussions and enjoy the fellowship of other college teachers. If you come you will be the guest of the college. Meals and lodging will be provided by the college.

Sincerely,

W. E. Holden

November 4, 1932

Dr. and Mrs. Clair S. Boruff
1205 West Glen
Peoria, Illinois

Dear Dr. and Mrs. Boruff:

You are cordially invited to be guests of the Illinois-Iowa Section of the American Chemical Society at a meeting to be held at 8:00 o'clock Saturday evening, November 15, 1932, in the Monmouth College Auditorium. Dr. E. S. Volwiler, an outstanding scientist, President of the American Chemical Society in 1930, President and General Manager of Abbott Laboratories, will discuss "The Scientists Place in the Future." I am pleased that Monmouth is to be honored by a visit of Dr. Volwiler and happy to be able to invite you to hear him. It is anticipated that he will challenge our thinking with respect to the issues which are of great consequence to the people of our community, our country, and the world.

A complimentary ticket is enclosed. This will admit you and one other person. Additional tickets can be arranged for by telephoning Mr. Gibb at the office of Public Relations, Monmouth College. The telephone number is 324.

Sincerely yours,

W.S. Haldeman

I shall be happy to have you and Alice as my guests at the Illinois-Iowa Section dinner in McMichael Dining Hall at 6:30 on the evening of the lecture by Dr. Volwiler. If you can come for the dinner please drop me a note by about November 10 or 11.

UNIVERSITY OF ILLINOIS

URBANA

THE WILLIAM ALBERT NOYES LABORATORY

November 6, 1952

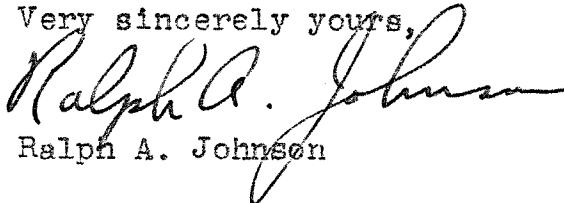

Professor S. W. Haldeman
Monmouth College
Monmouth, Illinois

Dear Professor Haldeman:

Thank you for the information on the Monmouth Conference and for the invitation to attend. I congratulate you for having organized so splendid a program. The organization of seminars on college chemistry teaching is one in which I have a keen interest, as you perhaps know from our brief meeting last month.

I deeply regret that I must forego this conference. An unusually great number of demands have been made on my time this fall --- and to top it all, I injured my ankle last week end to set me behind still further. I really must stay with my work every day this month to catch up. Nevertheless, my heart will be with your conference and I wish it great success.

Very sincerely yours,

Ralph A. Johnson

Dear Dr. Haldeman:

Thank you very much for your kind invitation to the meeting of the Illinois-Iowa Section of the American Chemical Society on Saturday, November 15. I am very sorry that I was unable to be there. My wife and I planned definitely to go, but at the last moment our plans had to be suddenly changed. I am sure that the talk by Dr. Volziler was inspiring.

Thank you once again.

Sincerely yours,

H. W. Crall
