Dear MACTLAC Executive Council Member:

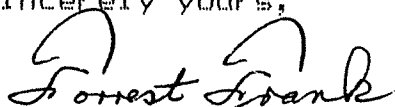

At long last I send you my report of the two Executive Meetings from the 1989 annual meeting at Luther College which Waldo Heino ran very well. The meeting financial report is also enclosed.

This is the last correspondence you will receive from me. From now on please correspond with our new Secretary - Treasurer Brad Glorvigen of the College of St. Thomas. I have enjoyed being Secretary-Treasurer and getting to know so many people and learning so much about this wonderful organization. However, I am delighted to turn all of this work over to Brad.

I call to your attention to the new Placement Officer who has so graciously agreed to do this job, Larry Ferren of Olivet Nazarene University. Enclosed is Larry's announcement.

I hope you will have a wonderful rest of summer so that when you return for the fall semester, you will be full of energy (as usual)!

Sincerely yours,

Forrest Frank
