GENERAL INFORMATION

Meals: The College Commons Cafeteria is available for meals on Friday noon and on Saturday morning and noon, payment to be made at the line.

Advance reservation is required for the Friday evening banquet and can be obtained until the time of registration.

Meetings: All meetings will be held in the Science Building except the Friday night post-banquet address, which will be given in the Fine Arts Center Auditorium.

Parking: There is plenty of space just west of the Science building near the greenhouse.

Placement: A bulletin board noting teacher vacancies will be located at the registration desk in the Science Building. Consultant on Placements is Dr. Arild Miller, Institute of Paper Chemistry.

Instrumentation Displays: The Sargent-Welch, Coleman, and Mettler Companies will display their wares in Room B31, adjacent to the Science Building auditorium, throughout the meeting.
