Professor R. M. Rosenberg, Chairman  
Department of Chemistry  
Lawrence University  
Appleton, Wisconsin 54910

Dear Bob:

Thanks for your note and the enclosed check. I'm very sorry to have put you to all that trouble. If I had been doing it I'd still have all the checks uncashed and jobs like this would be easy.

I'm also very sorry I could not get up. Peggy is now working full time so she would not have been there in any event. But both she and Bardo got sick and I hated to leave for three days.

We may get up (we will get up) to see you in the summer. I will be teaching at Madison during the summer session so there should be no problem unless you are going somewhere else!

I trust you are taking to the administrative life.

Cordially,

QRP:jh

Quentin R. Petersen  
Professor of Chemistry
