CAMPUS LOCATION

A map showing the location of the College with respect to I94 (Cretin-Vandalia exit) and I494 (Edgecumbe exit) has been included with this mailing. Hotel/motel information was mailed earlier and is summarized in the next column. Bloomington motels are near I494; those on University Avenue need some further directions.

Take University to Fairview Avenue (east on University, south on Fairview) and follow Fairview to Randolph Avenue (ca. 2 miles). Parking in O'Shaughnessy lot is free and close to the Recital Hall. If you park on the street, stay on the south side of Randolph -- the north side has a one-hour limit.
