TEACHERS IN LIBERAL ARTS COLLEGES

Monmouth College
Monmouth, Illinois
May 23, 1955

Members of MACTLAC:

1. Fourth Annual Meeting: See the enclosed announcement.
2. Report of Grinnell Meeting: Various deadlines for completion have been set and abandoned. The reasons are several. I will spare you a discussion of the demands on a teacher's time, and the handicaps one suffers when a dependable departmental secretary is overcome with illness. Our present deadline is mid-June, and I have reason to believe we will make it.
3. The Council elected at Grinnell: See enclosed announcement.
4. Membership Dues for 1955: These should be sent to Professor Frederick J. Mathews, Secretary-Treasurer, Beloit College, Beloit, Wisconsin. This notice applies only to those who have not received receipts for dues for this year.
