February 25th Meeting

February 25th, 2020

Broadcast starts at 5:45 pm Central

(suggested arrival time 5:30 pm)

An ACS "Program in a Box" Event

ACS Program-in-a-Box™ is an event organized by the National ACS Office as a way to bring subject matter experts to stimulate science discussions matched with activities that demonstrate how chemistry is applied in everyday life. ACS will broadcast live speakers, provides promotional materials, activities, and raffle prizes.
