

August 26, 1952

Dr. George J. Roste
1248 Alfred Street
Baton Rouge, Louisiana

Dear George:

Thank you for ^{the} carbon copies you mailed to me recently in connection with Monmouth College Chemistry Alumni Advisory Committee proceedings. The enclosed carbon copies are for your files. They may give you a general idea of some of our proceedings in connection with the the Conference for College Chemistry Teachers to be held here November 14 and 15. These copies may also help you answer questions as you come in contact with other Monmouth alumni.

Monmouth high school alumni have given good support to our chemistry department as shown in the enclosure.

Sincerely,

H. S. Haldeman
