

THE INSTITUTE OF PAPER CHEMISTRY
Appleton, Wisconsin

October 8, 1952

Dear Professor Haldeman:

Thank you for your letter of October 6 and the additional questions. I am glad to know there seems to be so much interest in the conference. I am sure it is going to boom into quite an affair. I will be very happy to have any further questions which might come in.

Sincerely,

Harry F. Lewis
Dean

Professor W. S. Haldeman
Monmouth College
Department of Chemistry
Monmouth, Illinois
