Appleton, Wisconsin

September 29, 1952

Dear Professor Haldeman:

Your letter of September 25 has been received in the absence of Dean Lewis who is presently on the west coast. When I wired him today, I indicated you would like to know the title of his talk, so he may send this to you directly.

I suggest you make the reservation at the Hotel Custer and when Dr. Lewis returns next Monday I will have him write you confirming or cancelling this arrangement.

Sincerely,

Florence Langrill
