Dear Mr. Schimmel:

Will you please reserve a single room with bath for Dr. Harry F. Lewis from Appleton, Wisconsin, Friday and Saturday nights, November 14 and 15, 1952? Also reserve a single room with bath for Dr. E. H. Volwiler, President and General Manager, Abbott Laboratories of North Chicago. Dr. Volwiler expects to be here for Saturday night only, November 15. Both of these men will be speakers at Monmouth College. The account should be charged to the college, but I will be personally responsible for same when they check out of the hotel.

Very truly yours,
