

ROCKFORD COLLEGE / OFFICE OF THE PRESIDENT / ROCKFORD, ILLINOIS

October 4, 1971

Dr. John Zimmerman
Secretary-Treasurer, MACTLAC
Department of Chemistry
Wabash College
Crawfordsville, Indiana

Dear Dr. Zimmerman:

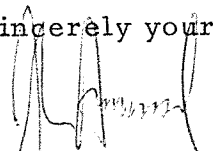

Dr. Victor Crawford, chairman of our Chemistry Department, has suggested the possibility that MACTLAC might hold an annual meeting on our campus.

I am pleased to support his initiative by extending to your Association an invitation to meet at Rockford College subject, of course, to an advance agreement on a time when our facilities are available.

We have recently been hosts to the Federation of Independent Illinois Colleges and Universities, the Mont Pelerin Society and the American Society for Eighteenth Century Studies. We believe our location and our facilities lend themselves well to group meetings, and we are pleased to have academic colleagues see our new campus.

I understand that the host college is not expected to provide any significant financial support for your meetings.

Sincerely yours,

John A. Howard
President
