## From the President

St. Olaf College, a school of The American Lutheran Church, is a private college with a four-year academic emphasis on the excitement and challenges of concentrated study in the arts, the natural and social sciences, and the humanities. Dedicated to God without apology to man, St. Olaf is supported, not only by the church, but also by its nearly 17,000 alumni, by parents of past and present students, and by other friends. St. Olaf is one of a select group of colleges which recently received a Ford Foundation challenge grant of \$2,200,000. The program of the College depends on the continuing support of foundations, corporations, and other friends.
