

Honorary and Emeritus Memberships

This is a reminder about the criteria for honorary and emeritus membership in MACTLAC. The pertinent sections of the constitution (Article II) read as follows:

Section 2. Honorary membership shall be granted only by a unanimous vote of the Executive Council, and shall be reserved for those persons who have rendered extraordinary service to this Association or who have made especially noteworthy contributions to the improvement of chemistry teaching in the member colleges. Election to honorary membership shall be recognized by the presentation of a specially prepared and individualized scroll. Honorary members may also be Emeritus members as described in Section 3.

Section 3. Any person who has been an active member for 10 years may, upon retirement, request status as an "Emeritus Member" and be excused from further payment of dues but retains all other rights of membership. Such status will be recognized by the presentation of a printed certificate. Such membership does not exclude the person from consideration for honorary membership.

Nominations for honorary membership in MACTLAC for consideration at the Valparaiso meeting should be in the hands of the Secretary-Treasurer, Larry L. Funck, Wheaton College, Wheaton, IL. 60187 by November 2, 1983. They must be in written form and should be accompanied by one or two seconding letters.

Dues Update

At its 1982 meeting the MACTLAC membership voted to increase the annual dues to \$2 effective in 1983. Your current dues status is indicated below. If the record indicated is inconsistent with your records, please notify the Secretary-Treasurer.

If you are attending the meeting at Valparaiso, please make your dues payment with the registration payment. If you are not planning to go to Valparaiso, you may send any dues payment with the membership update form directly to the Secretary-Treasurer at the address indicated.
