Professor Richard Bayer
Department of Chemistry
Carroll College
Waukesha, Wisconsin 53186

Dear Dick:

The information concerning the MACTLAC Teacher Placement Directory during the past year may be summarized as follows:

Field	Applicants	Openings
General Chemistry	2	2
Analytical Chemistry	2	7
Inorganic Chemistry	3	8
Organic Chemistry	8	6
Physical Chemistry	6	10
TOTALS	21	33

I hope that this information will be of assistance to you in making your plans for the next year. I am planning to be at the University of Evansville, and if there is additional information that you would like or if you would like me to be present at the council meeting, I would be very glad to oblige.

I am enclosing a 3" x 5" card which was sent to me by Dr. Leo H. Bowman for posting at the MACTLAC meeting. It is the only one I received, but if you are planning such a bulletin board, this could be placed there.
