E. H. VOLWILER  
PRESIDENT AND GENERAL MANAGER

September 11, 1952

Prof. W. S. Haldeman  
Monmouth College  
Department of Chemistry  
Monmouth, Illinois

Dear Doctor Haldeman:

If it is satisfactory to you, I would like to select the title for my talk "The Scientist's Place in the Future".

It will be pleasant to be with you and I am looking forward to the occasion.

Sincerely yours,

A handwritten signature in cursive script, appearing to read "E. H. Volwiler".
