Dr. Harry F. Lewis, Dean
Institute of Paper Chemistry
Appleton, Wisconsin

Dear Dr. Lewis:

Thank you for coming to the breakfast in Atlantic City and for your favorable reference to Monmouth College in your address. As agreed in our discussion your address is listed for Friday ~~evening~~ ^{evening} October 12, and that of Dr. Garrett for Saturday. A letter from Dr. Garrett gives the following title for his talk: Objective Perspective-Plus.

Will you please send me the exact title of your address? A stamped and addressed envelope is enclosed for your convenience.

Since both you and I have similar difficulties in sleeping when snoring is in evidence, a single room will be reserved for you in a private home or preferably in the Hotel Custer 25 miles from here, if acceptable to you. We are expecting to reserve rooms for several other people in the Hotel Custer.

Sincerely,

W.S. Haldeman

Suggested topics for discussion are still coming in. A list of them will be made and mailed to Dr. Haenisch after October first. A copy will also be forwarded to you. WSH
