Dr. Edward L. Haenisch
Professor of Chemistry and
Head of the Department
Wabash College
Crawfordsville, Indiana

Dear Dr. Haenisch:

We received the letters you mailed. Thank you. Dr. Shawver is working on the final program. I have reserved a single room with bath in the Colonial Hotel, Monmouth, for Thursday, Friday and Saturday nights, November 13, 14, and 15.

The Little Zephyr, train No. 5, leaves the Union station at 5.40, arrives in Monmouth at 8.36. There are two other trains which do not stop at Monmouth but since we are only 16 miles from Salesburg we shall be glad to meet you there.

The Denver Zephyr leaves the Union Station at 5.00 P.M.,	Calesburg 7.07
Fast Mail	7.4510.05

If you can come on the Denver Zephyr, (to Salesburg) we can take dinner at the Hotel Master where I like to eat, then drive to Monmouth.

Your suggestions in the letter and in the extra marginal note in reference to arranging the various questions into sub groups are well taken. As soon as you have the groups arranged as you think best, be sure to send your typed copy to us not later than November 7. We will do the mimeographing here to save you time and unnecessary work. If you have any other suggestion as to our preliminary preparations please let us hear from you.

Some additional acceptances have been received but since the suggested questions are in line with some former ones I am not mailing these to you.

While discussing informally our conference plans with a few of the college and State college teachers, several State college teachers wanted to know whether they might attend. Since some of them are well known friends I said we would take care of them. We may also have at least one of my friends from the University of Illinois for one day.

You may recall that during breakfast in Atlantic City you mentioned Dr. Ashford of St. Louis University as a good organizer in group studies. I saw him later and invited him to attend but ^{he} did not seem to think that he could come except possibly ^{drive} Saturday morning for the day's activities. If you feel that you want ^{him} to assist you, at least on Saturday, possibly a letter directly from you may give a definite answer.

Best regards from Shawver and from ^{the} hit and miss typist,

Sincerely yours,

W.S.Haldeman
