

ABBOTT LABORATORIES

NORTH CHICAGO, ILLINOIS

E. H. VOLWILER
PRESIDENT AND GENERAL MANAGER

October 30, 1952

Prof. W. S. Haldeman
Department of Chemistry
Monmouth College
Monmouth, Illinois

Dear Professor Haldeman:

Your letter of October 18 is appreciated.

On Friday, November 14 we have our annual dinner meeting of the Abbott Quarter Century Club, which I should attend. Therefore, it seems best for Mrs. Volwiler and me to leave Saturday afternoon at 12:30 on the Nebraska Zephyr, arriving in Galesburg at 2:55. We should like to stay at the Hotel Custer Saturday night and return home on Sunday.

The alternative would be for us to drive to Galesburg Saturday morning, which we might be tempted to do if the weather is good.

I shall look forward to seeing you at that time.

Sincerely yours,

EHV-1k
