Date
must have
been Sept 9

Dear Mr. Waldeman:

I have your letter telling me of the breakfast meeting of the speakers for the Conference of College Chemistry Teachers on Tues. Sept 16 at the Hotel Madison. I will attempt to be there but I may be held up along the way. I leave here on Thursday Sept 11. I expect to arrive in Columbus on Sept 14 and then fly to Atlantic City on ^{the} afternoon of Sept 15. If something should happen to my plans will you outline for me the results of your deliberations? I am planning on my part in your conference on Friday night, Nov 14 as the after-dinner as you have suggested.

Cordially yours,
Alfred B. Garrett
