Dr. Edward L. Haenisch
Professor of Chemistry and
head of the Department
Wabash College
Crawfordsville, Indiana

Dear Dr. Haenisch:

After looking over the morning mail and checking same Dr. Shawver wanted me to tell you the results of acceptances for the conference on November 14 and 15. Seventy four have definitely accepted the invitation to be here. We know of several others who are coming but the reply cards have not been received and therefore have not been included in the above seventy four. Forty four colleges are represented in the above data.

We are looking forward to your visit to Monmouth and expect to meet you in Salesburg as previously arranged.

Sincerely,

W. S. Waldeman
