

## MACTLAC 2019 – St. Catherine University

### Friday October 11<sup>th</sup>

- 10:00 -5:00 pm: Registration: **CDC ballroom atrium**
- 11:00-12:30 pm: Executive Meeting **CDC 361**
- 1:00-1:10 Introduction: **CDC ballroom**  
President Rebecca Koenig Roloff '76.
- 1:15-2:15 General Session Keynote 1: **CDC Ballroom**  
Thomas Braun, Head of Conservation and Senior Objects Conservator at the Minnesota Historical Society. "The use of applied chemistry in the conservation and restoration of museum artifacts, and a few examples of Prince-related conservation treatments."  
**CDC ballroom**
- 2:30-3:30 Breakout session 1:  
- Microwave chemistry in laboratory instruction **Mendel 407**  
- Green polymer Chemistry **CDC 361**  
- X-ray Crystallography Research and Applications at PUIs **Mendel 404**  
- Mass spectrometry in the undergraduate curriculum and research **Mendel 411**  
- Chemistry courses for non majors **CDC 362**  
- Meet the speaker **CDC 3<sup>rd</sup> floor –PDR (President's Dining room)**
- 3:30-4:00 Coffee and snack break. Posters. Vendors. **CDC ballroom atrium**
- 4:15-5:15 Breakout session 2:  
- General Chemistry **CDC 361**  
- Organic Chemistry **CDC 362**  
- Inorganic Chemistry **Mendel 404**  
- Analytical Chemistry **CDC 3<sup>rd</sup> floor –PDR (President's Dining room)**  
- Physical Chemistry **Mendel 411**  
- Biochemistry **CDC 370**
- 5:15-6:00 Social (Beer and wine, poster session, vendors **CDC ballroom atrium**
- 6:00-7:00 Dinner
- 7:00-8:00 General session 2: **CDC ballroom**  
Irv Levy, Director Beyond Benign: Green Chemistry Education and Chair of the ACS committee of chemical education. "Green Chemistry Commitment implementation at PUIs ."
- 8:00-10:00 Meet up at Surly brewery for those who would like to go out for a couple of hours

**Saturday October 12<sup>th</sup>**

- 8:00-8:30 Breakfast/Coffee **(Recital Hall lobby)**
- 8:30-9:30 General session 3: **(Recital Hall)**  
Rose Kubiaticz, Science Museum of Minnesota. "Oh No! Ethnobotany. Identification and communication of residual botanical hazards on museum artifacts."
- 9:30-10:30 MACTLAC Business meeting - **(Recital Hall)**
- 10:30-11:30 Breakout session 3:  
- Microwave chemistry in laboratory instruction **(Mendel 407)**  
- The Green Chemistry Commitment: Green Chemistry and Toxicology in the Curriculum **(Mendel 109)**  
- Chemistry and study abroad **(Mendel 107)**  
- Undergraduate research at PUIs **(Mendel 404)**  
- Mass spec in the undergraduate curriculum and research **(Mendel 411)**  
- Meet the speaker **CDC 3<sup>rd</sup> floor –PDR (President's Dining room)**
- 11:45-1:15 Executive Council Meeting **CDC 3<sup>rd</sup> floor –CDC 401**
