Dear MACTLAC Member:

The enclosed information concerns the coming meeting to be held on October 23-24 at Lake Forest College in Lake Forest, Illinois. Your officers and John Coutts as the host and program chairman have tried to plan a varied and stimulating program.

As was done last year, we are providing some advance information about the discussion groups for Friday afternoon, so that people will have an idea of topics likely to be covered and will be ready with additional questions or topics they might wish to see included.

The enclosed envelope allows for preregistration and payment of dues. We hope that all members will cooperate in this way as soon as plans are clear. Prepayment greatly simplifies registration procedure when you arrive. If you are reluctant to enclose payment for fear of changing plans, please mail the filled-out envelope anyway with indications of your probable plans, no later than October 12.

We expect a large attendance and last minute reservations will put an unnecessary strain on the college staff.

The \$1.00 registration fee will be fully credited toward current dues for members. The meal Friday evening will be \$2.25. The Saturday luncheon will be \$1.25. You will be on your own for Saturday breakfast.

~~4.50 sent~~  
Information on transportation and housing is enclosed. You will note that motel reservations are to be made through Lake Forest College, rather than directly with the motel, as in previous years. Also enclosed is an information sheet on transportation and housing. Be sure to return this information sheet in the registration envelope. Mail before October 12.

I shall look forward to seeing you at Lake Forest.

Sincerely yours,

*Wilmer J. Stratton*
