Dr. Philip Bays  
Department of Chemistry and Physics  
Saint Mary's College  
Notre Dame, IN 46556-5501

Dear Phil,

Enclosed are my displays for MACTLAC Archivist & Placement Officer.

For the Archivist display, I planned to post the sign and the pictures from the Westminster Meeting along with the other enclosed material.

For the Placement Officer display, I planned to post the openings and procedure sheets.

Thank you for agreeing to set up my exhibit and for mailing it back to me after the meeting. I'll miss seeing everyone.

Sincerely,

Anne T. Sherren, Ph.D.  
Professor of Chemistry
