DEPARTMENT OF CHEMISTRY

Dr. Richard Bayer  
Secretary-Treasurer, MACTLAC  
Department of Chemistry  
Carroll College  
Waukesha, Wisconsin

Dear Dr. Bayer:

This is in reply to your letter of September 29, to Dr. Garrett W. Thiessen. Since I have replaced him as Head of the Department of Chemistry, I am answering in his behalf.

I have discussed the possibility of having the 1968 MACTLAC meeting at Monmouth with the President of the College, Dr. Duncan Wimpres. We would like to have another MACTLAC meeting here but feel, in view of the present time-table for the construction of the new science building, it is best if the 1969 or 1970 meeting were held here rather than the 1968 meeting. Thus, we request that our invitation not be considered for the 1968 meeting.

I regret that for the second year the MACTLAC meeting coincides with the Monmouth College Board of Directors Meeting. Because of involvement in that meeting I will be unable to attend the MACTLAC meeting this year.

Sincerely yours,

Robert B. Meyer  
Associate Professor and Head,  
Department of Chemistry

Dr. Vincent DeLeers  
Dean of the College  
St. Norbert College  
West DePere, Wisconsin 54178

Dear Dr. DeLeers:

This is to acknowledge receipt of your kind invitation to the Midwestern Association of Chemistry Teachers in Liberal Arts Colleges to hold our annual meeting at St. Norbert College.

At the recent MACTLAC meeting, the Executive Council voted to accept the invitation from Carroll College to hold the 1966 meeting on their campus. Although your original invitation was for the 1968 meeting, I would like to inquire whether you wish to have your invitation held open for the 1969 meeting.

Sincerely yours,

Richard Bayer  
Secretary-Treasurer, MACTLAC

President Joseph L. Knutson  
Concordia College  
Moorhead, Minnesota

Dear President Knutson:

This is to acknowledge receipt of your kind invitation to the Midwestern Association of Chemistry Teachers in Liberal Arts Colleges to hold our annual meeting at Concordia College.

At the recent MACTLAC meeting, the Executive Council voted to accept the invitation from Carroll College to hold the 1968 meeting on their campus. Although your original invitation was for the 1968 meeting, I would like to inquire whether you wish to have your invitation held open for the 1969 meeting.

Sincerely yours,

Richard Bayer  
Secretary-Treasurer, MACTLAC

President  
JOSEPH L. KNUTSON

October 11, 1966

Dr. Richard Bayer  
Midwestern Association of Chemistry Teachers in Liberal Arts Colleges  
c/o Dr. Adrian Docken  
Luther College  
Decorah, Iowa

Dear Dr. Bayer:

On behalf of the chemistry department and faculty and administration of Concordia College, I hereby invite the Midwestern Association of Chemistry Teachers in Liberal Arts Colleges to have their next annual meeting at Concordia College, Moorhead, Minnesota.

The Fargo-Moorhead community has a population of about 100,000 with excellent hotels, motels and eating places. We also have three institutions of higher learning in our area. All three of these institutions have the latest in buildings and equipment so far as the teaching of chemistry is concerned. It would be an interesting, exciting place for chemistry teachers to visit.

Our chemistry department in force will be attending the meeting at Decorah, October 14-15. I'm sure all of them will be adding their invitation to mine for holding the next meeting at Concordia College.

Sincerely yours,

A handwritten signature in cursive script that reads "Joseph L. Knutson".

Joseph L. Knutson

October 7, 1966

Dr. Paul Barks  
Assistant Professor  
Department of Chemistry  
St. Norbert College

Dear Dr. Barks:

Please extend to the officers and members of the Midwestern Association of Chemistry Teachers in Liberal Arts Colleges a cordial invitation to hold their annual meeting on the campus of St. Norbert College in the fall of 1968.

The administration of the college will be happy to cooperate with the Association to make the meeting as fruitful and pleasant as possible.

In Christ, yours truly,

Vincent De Leers, O.Praem.  
Dean of the College
