Dr. W. S. Haldeman, General Chairman  
Conference of College Chemistry Teachers  
Monmouth College  
Monmouth, Illinois

Dear Dr. Haldeman:

Thank you for sending the various literature material to me. It answers my questions completely and I shall file this information for further future reference.

As to the excellence of Monmouth's training in chemistry, there is no doubt. I certainly will continue to spread the good word relative to the fine results stemming from your efforts and the work of your associates in this department. I am more than honored by the invitation extended in your letter of August twenty-second to take part in the Conference of College Chemistry Teachers. As I explained to Dr. Thiessen, however, I will be otherwise occupied at that time and must decline your kind offer.

Best personal regards.

Sincerely yours,

*Walter E. Thwaite Jr.*
