

DATE: February 1, 1978  
TO: Interested MACTLAC Faculty  
FROM: Quentin R. Petersen  
SUBJECT: Restricted-Circulation Placement List

As of this date, 68 colleges at which we have MACTLAC members have responded to our questionnaire.

#### OPENINGS

Augsburg College - Minnesota - Instructor or Assistant Professor, Organic. One-year sabbatical replacement. (John Holm, Acting Chairman, Chemistry Department)

Aurora College - Illinois - Physical-Analytical with experience. Interest in computer interfacing. Replacing a departing regular faculty member. (Gerald R. Roehrig, Chairman, Department of Chemistry)

Carthage College - Wisconsin - Analytical Chemist to serve as a one-year sabbatical replacement. Respond by February 15. (Kenneth L. Hamm, Chairman, Department of Chemistry)

Carleton College - Minnesota - Assistant Professor, Analytical, Inorganic, or Physical. Research expected. Two-year, non-tenure appointment. (James E. Finholt, Department of Chemistry)

Carroll College - Wisconsin - Assistant Professor, Physical Chemistry. (Earl Hudson, Chairman, Department of Chemistry)

Coe College and Cornell College - Iowa - Assistant Professor, Organic Chemistry. One-year appointment, first semester at Coe, second at Cornell. (William Deskin, Chairman, Department of Chemistry, Cornell College)

Drake University - Iowa - Instructor or Assistant Professor, Organic or Biochemistry. One-year appointment. (Joe D. Woods, Chairman, Department of Chemistry)

Earlham College - Indiana - Assistant Professor, General and Physical. Possible tenure position. (L. E. Strong, Chairman, Department of Chemistry)

Elmhurst College - Illinois - Part-time evening and summer appointments in all areas. (Robert L. Glogovsky, Chairman, Department of Chemistry)

University of Evansville - Indiana - Assistant Professor, Organic and Biochemistry. (Lowell E. Weller, Chairman, Department of Chemistry)

Fonthonne College - Missouri - Instructor, Analytical/Inorganic. (Virginia Karwin, Acting Chairperson, Department of Chemistry)

Grinnell College - Iowa - Instructor or Assistant Professors (two positions), Inorganic and Organic Chemistry. (Gene M. Wubbeis, Chairman, Department of Chemistry)

Gustavus Adolphus - Minnesota - Temporary Instructor for leave replacement, Instrumental Analysis. Fall Semester 1978 only. (Lawrence W. Potts, Chairman, Department of Chemistry)

OPENINGS (continued)

Hopa College - Michigan - Assistant Professor, Analytical Chemistry.  
(Michael P. Doyle, Chairman, Department of Chemistry)

Luther College - Iowa - Assistant Professor, Analytical, Instrumental,  
Computer Science. (Adrian M. Docken, Chairman, Department of Chemistry)

Macalester College - Minnesota - Assistant Professor, Organic Chemistry.  
Also possible one-year sabbatical replacement in Inorganic/Analytical.  
(Fred B. Stocker, Chairman, Department of Chemistry)

Mount Marty College - South Dakota - Assistant Professor, Biochemistry.  
(Peter Maldonado, Chairman, Department of Chemistry)

University of Santa Clara - California - Assistant Professor, Physical  
Chemistry (Thermodynamics), tenure track. Application by February 20.  
(William F. Sheehan, Chairman, Department of Chemistry)

St. Olaf College - Minnesota - Assistant Professor, Inorganic/Physical.  
Nontenure appointment, possibly for two years. (John C. Marshall,  
Chairman, Department of Chemistry)

Ripon College - Wisconsin - Analytical Chemist. (Dave Carley, Chairman,  
Department of Chemistry)

POSSIBLE OPENINGS

Illinois Benedictine College - Illinois - Assistant Professor, Analytical Chemistry. Experience in electronics and instrument trouble-shooting required. (David J. Rausch, Chairman, Department of Chemistry)

Iowa Wesleyan - Iowa - Leave replacement in Organic Chemistry. (C. Clinton Rife, Chairman, Department of Chemistry)

Lakeland College - Wisconsin - Assistant Professor, Organic/Biochemistry or Analytical/Physical. (Terry M. Nagel, Chairman, Department of Chemistry)

Manchester College - Indiana - May have a leave replacement during part or all or part of 1978-1979. (S. Miller, Chairman, Department of Chemistry)

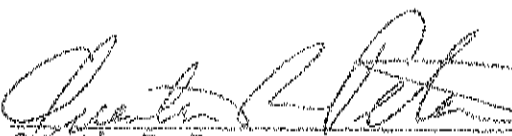

St. Thomas - Minnesota - Possible sabbatical leave replacement in Analytical/Inorganic.

*Candidates should return the enclosed Individual Placement Form to me immediately. A majority of the placements effected in previous years were through the use of these forms.*
