Dear Adrian:

Thank you for your letter of October 17th and the kind invitation to hold a future meeting of HCTIAC at Luther. There was considerable sentiment to hold the 1964 meeting in a central location and the executive council elected to accept the invitation of Lake Forrest College at Lake Forrest, Illinois.

Your invitation will remain on file; however, I would suggest that you contact Dr. Wilmer Stratton, Earlham College, the new secretary, before the 1963 meeting if you wish to be considered for the 1965 meeting. The council has been trying to pick the meeting place two years in advance and in 1965 we should meet in the western group of states.

I am sorry that you could not attend the recent meeting at Alma. I think it was one of our best meetings.

Sincerely,

William A. Deskin

Dear Bill:

We were sorry that we were not able to get to Alma for the MACTIAC meeting; not only for the meeting itself, but also to renew our invitation to hold a future meeting here at Luther.

Is our invitation still on file? If not, is it too late for a new invitation to be extended for the 1964 meeting?

Best regards,
