Memorandum to Quentin R. Petersen:

I had meant to discuss with you before I left the matter of reservations for the NACTIAC meeting this Fall.

If you have time during the next couple of weeks, will you contact the Riviera and Crawfordsville Motels and the Crawford Hotel about holding blocks of rooms for the night of October 18th (Friday), and possibly a few for Thursday night the 17th and a few for Saturday the 19th. Will you also contact SAGA and reserve space for the dinner on Friday the 18th and the lunch on Saturday the 19th. We can settle on the details later. SAGA may want also to be aware that there may be extra guests for breakfast on Saturday morning October 19th.
