Dear Dr. Baker:

Dr. Russell Sutton, Acting Chairman of the Department of Chemistry at Knox College, has advised us that you wish to have a letter from the President confirming his invitation to MACTLAC to hold its annual meeting on the Knox campus in 1971, 1972 or 1973.

As Dr. Sutton has indicated, we are hopeful that you will find it possible to accept the invitation from Knox in one of these years. It will be a real pleasure to host your distinguished organization.

With kindest regards, I remain

Very cordially yours,

Dr. Richard Bayer
Secretary of MACTLAC
Chemistry Department
Carroll College
Waukesha, Wisconsin

Dear Doctor Bayer:

Herewith I extend an invitation to the Midwestern Association of Chemistry Teachers in Liberal Arts Colleges to meet on our campus in 1970.

We have an entirely new campus and have just completed and are now occupying our new Science Building. We believe this building is unique in its construction, and the Chemistry Department has incorporated in it a number of features which should be of interest to your membership. Therefore, we hope that you will visit us in 1970 to see our new building and enjoy it with us.

Sincerely,

William Spoelhof
President

Dear Dr. Bayer:

We at Concordia College wish to repeat our invitation to the MACTLAC members to hold their annual meeting on the Concordia College campus at the next open date.

We are proud of our new science facilities and of our achievements in chemistry. Our men like to share their experiences and accept challenges from others, so for their sake I hope you accept our invitation.

Sincerely yours,
