Dear Forrest,

It was good to talk to you Friday night. Enclosed is my placement officer and archivist report. I've sent displays to Phil and asked him to mail them back to me after the meeting. (Enclosed is a second copy of the placement display.) The placement officer is only as active as people make the officer. It takes openings and seekers.

If you have questions for me during the meeting, my brother's name and number are Edward Terry, (301) 788-7518. I'll look forward to receiving a report of the meeting.

Sincerely,

Anne T. Sherren, Ph.D.
Professor of Chemistry and
MACTLAC Placement Officer
