Dear Professor Haldeman:

I have your very nice letter of October 18 giving me the times of the trains to Galesburg and enclosing the confirmation of reservation. I appreciate your thoughtfulness.

Just as soon as I know specifically what my plans are, I will advise you. It is barely possible I will drive down so as to have a car available.

In the meantime I am glad to know that you have five additional colleges planning to send representatives. I have been at both St. Olaf and Carleton within the last two weeks and find considerable interest in your program at both of these schools.

With best regards,

Sincerely,
