September 26, 1989

Dr. Larry Funck
President, MACTLAC
Department of Chemistry
Wheaton College
Wheaton, IL 60187

Dear Larry:

I am resigning from being MACTLAC Employment Officer effective October 28, 1989. I am willing to continue as archivist of MACTLAC.

Larry, I have been frustrated with the office of Employment Officer. I do not get the openings from the colleges. Also, I send items to candidates and never hear from them. I question if the current set up is really needed or working. I'd like this item discussed at the executive meeting on Friday, October 27th. I can give you more details on the 27th.

Please call me if you have questions.

Sincerely,

Anne T. Sherren, Ph.D.
Chairman and Professor of Chemistry
MACTLAC Employment Officer
