Dear Professor Haldeman:

I have just talked on the phone with Dr. Lewis, and he advises that the title of his talk will be "The Utilization of the Research Method in Teaching Liberal Arts College Chemistry."

He agreed that you should make the reservation at the Hotel Custer.

You mentioned in your letter that Dr. Lewis would give his talk Friday evening, October 14, but we assume this was just a slipup and the date is still November 14.

Sincerely,

*Florence Langrill*
