

BROOKS INSTRUMENT COMPANY, INC.

April 2, 1962

Mr. W. C. Oelke
The Mactlac Physical Chemistry Manual
Box 2373 University Station
Gainesville, Florida

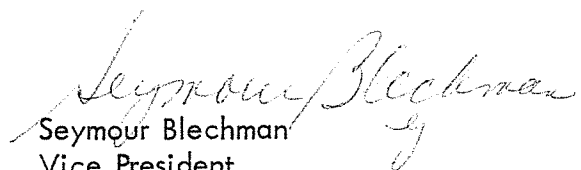

Dear Mr. Oelke:

Under separate cover we are sending you a full catalog containing bulletins on all types of rotameters and other flow metering equipment manufactured by Brooks.

You have our permission to use any portions of our literature in your manual.

Very truly yours,

BROOKS INSTRUMENT CO., INC.

Seymour Blechman
Vice President
