

Time	Event	Location
Friday September 1st		
10:00-5:00pm	Registration (Dining room is open from 1130 for food purchase)	Leonard Hall
11:00-12:30pm	Executive meeting	Science Center 211
1:00-1:10pm	Introduction: President Williams	Wanamaker
1:15-2:15pm	General Session Keynote: Back to the Future: Drawing on the Lessons of the Past to Prepare for Coming Challenges <i>Dr. Jeffery Aper</i>	Wanamaker Hall
2:30-3:30pm	Break out session 1	
	Chemistry Courses for non-majors	Science Center 209
	Meet the speaker	
	Chemistry on the cheap, some DIY instrumentation etc.	Science Center 101D
	Safety in undergraduate labs	Old Watson Lab 145
	Diversity equity and inclusion in the chemistry classroom	Science Center 107
	Assessment in Chemistry	Science Center 129
	Teaching Chemistry labs remotely	Science Center 211
3:30-4:00pm	Coffee and Snack Break	Leonard Hall
4:15-5:15pm	Break out session 2	
	General Chemistry	Science Center 209
	Organic Chemistry	Science Center 211
	Inorganic Chemistry	Science Center 101D
	Analytical Chemistry	Science Center 207
	Physical Chemistry	Science Center 129
	Biochemistry	Science Center 107
5:15-6:00pm	Social- Poster session	Leonard Hall
6:00-7:00pm	Dinner	Holt Gallery (School of Nations Building)
7:00-8:00pm	General Session 2: Physical Science as a Source and Beneficiary of Vocabulary and Syntax Instruction. A Physical Science Literacy Workshop. <i>Dr. Stephen Marlette</i> <i>DR. Brian Johnson</i>	Wanamaker Hall
8:00-10:00 pm	Chemistry after hours	The Old Bakery Beer Company
Saturday October 1st		
8:00-8:00am	Breakfast/coffee	Leonard Hall
8:30-9:30am	General Session 3: CYNTHIA CHAPPLE : Will talk about the program she founded called "Black Girls Do STEM". Dr SUSAN WIEDIGER: How safety is taught and learned in undergraduate lab settings	Wanamaker

9:30-10:30am	MACTLAC Business meeting	Wanamaker
10:30-11:30am	Break out session 3	
	Chemistry Courses for non-majors	Science Center 217A
	Chemistry on the cheap, some DIY instrumentation etc.	Science Center 209
	Safety in undergraduate labs (Meet the speaker)	Science Center 209
	Diversity equity and inclusion in the chemistry classroom	Old Watson 145
	Assessment in Chemistry	Science Center 209
	Teaching Chemistry labs remotely	Science Center 205
Bagged lunches will be available in Leonard Hall at 1130.		
11:45-1:15pm	Executive Council Meeting	Science Center 211
