- Follow log in instruction to register for guess access.

Tips and Recommendations for Breakout Sessions

- Please have one note takers for each breakout sessions. The notes should be added to the shared Google doc, which is found on via the QR Code to the right.
- Remember that different people may have different experiences and opinions on topics discussed in your breakout session. Please be mindful to ensure that everyone gets a chance to participate.
- Please treat everyone in your breakout session with respect and consideration.

Tell us what you think!

- In your folder, there is a survey on green paper.
- Please fill it out and drop it off during the business meeting or in the box outside Stevenson Hall.
